## Investment Committee

---

**PETER MURPHY, CFA®**

*Chief Investment Officer*

Peter Murphy joined Founders Financial in 2012, was named President of Freedom Capital Management Strategies® (FCMS), the firm's institutional asset management platform, in 2014, and became the firm's Chief Investment Officer in 2016.

Peter leads the FCMS investment team and oversees the investment strategies available through FCMS. He is also responsible for leading the platform's strategic growth and development initiatives.

Peter brings over a decade of investment experience to the team. Prior to joining Founders Financial, he was a member of the Investment Team of the University of Notre Dame Investment Office, which is responsible for overseeing investments in the University's endowment fund.

Peter earned his B.B.A. in Finance from the University of Notre Dame and holds the Chartered Financial Analyst® designation.

**CATIE ALLENDER**

*Investment Analyst*

Catie Allender joined Founders Financial in 2018 and serves as an Investment Analyst for FCMS. In this role, Catie supports the platform's investment process with a focus on research, due diligence, and communication. Prior to joining Founders Financial, Catie worked as a Program Assistant in the Fine Arts Department of Loyola University.

Catie earned her M.S. in Finance and her B.A. in Classical Languages from Loyola University Maryland and is a CFA Level II Candidate.
